

FULFILLING THE VISION

FELLOWSHIP OF
CHRISTIAN ATHLETES
NORTHEAST FLORIDA

FCA has launched a new initiative, Fulfilling the Vision. We are expanding our mindset to pursue our vision and mission through the strategy of to and through the coach. With the influence of a coach, FCA recognizes the most strategic way to reach more athletes is to first reach the coach. Take a look at our plans for Fulfilling the Vision during the year to come.

1

SHRINK TO GROW | Local area footprints have been redrawn to ensure no single staff member is stretched too thin in their role and responsibilities. Quality ministry is priority; quantity of ministry is secondary.

2

GRAB YOUR CLEATS | Connecting campuses to the local church is essential if we are going to fulfill our mission of leading coaches and athletes into a growing relationship with Jesus Christ and His church.

3

CHARACTER COACHES | Developing character is a great gift coaches can give to their athletes. This strategic volunteer role builds relationships with and character within players, teams and coaches.
